## Dear Parents and Guardians,

Welcome to The Wave Summer Day Camp! We are so excited to have your child join us for an exciting summer. We want you to know that we consider it a privilege to care for your children. We hope and pray that Christ will work through us to reveal to each of you His unfailing love.

At The Wave, we pride ourselves on being Christ-centered, HIGH-ENERGY, and unquestionably safe. Our staff is comprised of energetic young adults who are passionate about guiding campers, making disciples, and providing a safe and fun environment.

Enclosed you will find almost everything you need to know about The Wave. You will find policies and procedures that are necessary for us to care for your children in a healthy and safe environment. We ask you to make yourselves and your children aware of this information so that everyone in your family is prepared to have a positive experience here at The Wave!

We appreciate your cooperation and we look forward to working with you this summer! Feel free to contact us if you have any questions!

In Christ,  
John King  
The Wave Day Camp Director

## **Our Vision**

Our vision is to minister to families in our community by providing an exciting, fun, safe, Christ-centered camping environment for kids from Kindergarten through 8<sup>th</sup> grade.

## **Our Mission**

Our mission is that every camper and Day Camp family would hear the message of Christ and be led into a growing relationship with Him.

## **Statement of Belief**

We believe there is one true God, and that He desires to reconcile and redeem people in their brokenness. We believe that He sacrificed His one and only Son, Jesus Christ, in order to make this happen. And we believe that it is the responsibility of all believers to make this redemption known to all nations.

## **What does this mean?**

The Wave's Vision, Mission and Beliefs all mean that we must provide an environment of excellence for our campers and their families.

Parents can take comfort in knowing their children are in a secure, positive environment where they will encounter Christ daily. We will never pressure a child to make a commitment to Christ; however we will speak of Him unashamedly.

# The Wave General Info

The Wave is a summer day camp designed for children who have completed Kindergarten through 8<sup>th</sup> Grade (proof of Kindergarten enrollment will be required). Our hours of operation are Monday – Friday, 7:00am- 6:00pm.

## Our Staff

At The Wave, we consider our staff to be our best asset. We strive to hire the most qualified energetic young adults in Middle Tennessee and beyond. We look for young adults who are passionate about serving God and investing in the lives of children. We seek out high-energy, relational people who are suited for our unique camp culture. We train them in first-aid, CPR, sexual predator awareness, Christ-centered discipleship and our discipline philosophy. We guide and encourage our staff throughout the summer and spur them on towards a deeper relationship with the Lord. Our hope and vision is that through a vibrant, healthy staff, The Wave will help to shape campers' lives.

## Camper Groups

Campers are divided into four sub-camps. We like to call them SURFS.

Elementary Surfs: **Surf 1** (completed K-1<sup>st</sup>), **Surf 2** (completed 2<sup>nd</sup>-3<sup>rd</sup>), **Surf 3** (completed 4<sup>th</sup>-5<sup>th</sup>)

*It is our policy not to take requests for putting campers in specific groups or to pair them with specific friends. Each group will have 2 group leaders.*

## MIDDLE SCHOOL

For campers just completing 6<sup>th</sup>-8<sup>th</sup> grades: **WayFinders** Our Middle School campers will be split into separate male and female group, unless the size of the group makes this impossible. They will join together daily for coed programming. Each group will have 2 leaders of the same gender. The focus in middle school will be on being a godly servant-leader.

Each Surf operates on its own daily schedule apart from the other Surfs as they rotate through activities appropriate to their grade level. They do, however all combine often for camp-wide activities such as J.A.M. and Splash Bash (our weekly theme parties).

## Adding, Cancelling or Transferring Weeks

To add, cancel or transfer a week, please complete an Add/ Cancel/Transfer Form with **at least two full week notice** (forms available at The Wave Welcome Desk or on our website). When adding a week, a deposit will be required. When cancelling a week the \$30 deposit is non-refundable. All other tuition paid for that week will either be reimbursed or credited to any outstanding balance for another week, provided cancellation notice is at least 2 weeks prior to week being cancelled. There will, however be no refunds with less than a 2 week cancellation notice.

## Security Procedures

At The Wave, we take each camper's physical safety and innocence very seriously. Our best tool for keeping campers out of harm's way is to hire and train an excellent staff. Each staff member is carefully selected and given a thorough background check. The staff participates in every activity with the campers. Staff members are not allowed to be by himself/herself with campers. This is our strictest policy. There must be a minimum of two staff members with campers at ALL times. Please don't hesitate to call the Director if you have questions or concerns about our safety procedures.

Each camper will be assigned a security number upon registration that will be required when signing out before the scheduled Pick Up time, which is 4:00 pm. This number will also allow whoever has it to visit campers at lunch, snack or during special invitation only events. You may give your child's Security Number to anyone you wish with the understanding that if they produce this number to us, your child will be released to them.

### **Security number will be used to:**

- Sign out campers before 4:00 pm at The Wave Welcome Desk
- Visit a camper during Lunch or Snack
- Sign out a camper that is not your child
- Request additional car tags

### **Security Number Info:**

- No child will be released without the proper Security Number or Car Tag
- Security Numbers will only be released to a camper's parent or legal guardian
- All Security Numbers will be kept confidential and will not be given out over the phone
- We require legal documentation for cases in which a parent/legal guardian is not allowed to pick up or have contact with their child

**We will NEVER release a child to ANYONE who has not properly followed ALL Security Procedures.**

### ***What to do if you forget your child's Security Number:***

Report to The Wave Welcome Desk (you will be required to produce photo identification and confirm some of your child's personal information). Only parents/legal guardians listed on the camper's registration form will be given their security number.

### ***What to do if your child's Security Number must be changed:***

If, for any reason, you feel that your child's Security Number needs to be changed, report to The Wave Welcome Desk as soon as possible. We will take the necessary steps in order to change the number.

## Dress Code

The Wave is focused on honoring Christ, therefore, all clothing worn by campers and staff should be modest. Please send your camper in **SOCKS & TENNIS SHOES** everyday! On swim day you may send your camper in flip flops or sandals, but please send tennis shoes and socks for them to wear after we return from the pool.

Acceptable dress includes:

- Tennis shoes and socks
- Modest shorts or pants
- T-shirts or other loose fitting, comfortable shirts
- One-piece swimsuits or modest tankini (swim days).

Unacceptable dress includes:

- Skirts or dresses (due to our high activity level!)
- Shorts that are shorter than fingertip-length
- Shirts with inappropriate slogans or questionable advertising
- Spaghetti strap or low-cut shirts
- Flip flops, crocs or hee-lies (these can actually be dangerous with our high level of activity)
- Bikinis or other immodest swimsuits

If a camper arrives inappropriately dressed, parents will be contacted to bring a change of clothing or shoes.

## Swim Days

Campers swim at the YMCA outdoor pool on either Tuesday (Surf 1) or Friday (Surf 2-4) from 9:00am – 11:00am. Please keep the following guidelines to ensure swim days go smoothly:

- Arrive no later than 8:30am.
- Send your female campers to camp with swimsuit underneath clothing. Male campers should where their swim trunks to camp.
- Send a towel, dry underwear (and shorts for the boys) in your child's Wave drawstring backpack (provided with Registration).
- Please apply sunscreen to your child before they arrive at camp. We keep spray bottles on hand, but we will not rub sunscreen on any campers.
- No pool toys please.

*Swim day will only be cancelled if there is lightning in the area or if the YMCA deems it necessary to close the pool. If you are unsure if campers will be swimming due to weather conditions please send your camper in their swim clothes and if swimming is cancelled we will provide them an opportunity to change into their other clothes.*

*We will not swim during Week 2 due to the busy morning schedule of Vacation Bible School.*

### **YMCA SWIM TESTS:**

YMCA policy states that all campers desiring to have full access to the pool (shallow and deep end) must take a swim test each week. The test requires the campers to dive or jump into the water (their head must go under water) and swim from one side of the pool to the other without stopping or needing assistance (no doggy-paddling). Campers must use the ladder to exit the pool on their own. Campers who pass the test will be granted full access to the pool

and slides. Campers who choose NOT to take the swim test, or who do not pass it, will be required to wear a life jacket for the duration of their time at the YMCA and will be limited to swimming in the shallow end. This is a policy of the YMCA and not of The Wave Day Camp. We do not have the authority to waive this requirement. The YMCA life guards make final judgement on who passes and who does not. The YMCA will provide life jackets for the campers; however, you may send a CLEARLY LABELED, COAST GUARD APPROVED life jacket for your child if you wish.

**The Wave staff will remain in the water or at the water's edge for the entire swimming period.**

**Because of security concerns campers may NOT be dropped off at the YMCA by their parents. If you are dropping your camper off after the other campers have left for the YMCA you must walk your child in to check them in with The Wave Office. Wave staff will then accompany your camper to the pool.**

## Lunch & Snack

Campers will eat lunch with their Surf daily. Please remember the following guidelines:

- Campers should bring their lunch daily.
- No refrigerator or microwaves are available for your camper's lunch. Please do not send lunch items that must be heated or refrigerated.
- The Wave will provide a snack each afternoon (i.e. pretzels, animal crackers, goldfish, etc.). If your child has strict dietary limitations, please send snacks from home.
- Parents may visit their child during lunch or snack, but not during any other activities. Visitors must sign in at The Wave Welcome Desk. Guests must provide camper's security code and leave keys or ID at the Wave office.
- If a camper does not bring their lunch, The Wave will provide a lunch and add \$5 to the parent's account. This service is provided in emergency situations only. Do not rely on this as a daily source of lunch for your campers.
- The Wave is not a nut free environment. If your child has a severe nut allergy we will provide a table for them to sit at with other campers who are not eating peanut butter or other nut products. Please be sure to include your camper's allergy information on their registration form.

## Lost & Found

Any items remaining in camper cubbies each Friday will be put in the Lost & Found, located at The Wave Welcome Desk. At summer's end, all items will be donated to a charity organization.

## Medication

If your child must take medication (this includes prescription *and* over-the-counter medication including inhalers and epi-pens) during the hours of The Wave, please request a Medication Form, complete it, and submit it to The Wave Welcome Desk. No medication will be given to a camper unless a medication form has been completed. Campers are not permitted to carry their own medication or store them in their cubbies. Medications will be kept in the Wave office. If situation calls for it a group leader may carry the medication for the camper.

## Items Prohibited

Any prohibited items will be taken from the camper and returned to the parent at the end of the day. The following items are prohibited:

- Cell phones, I-pads, Kindle, I-pod Touch and all similar devices
- Digital or video cameras
- Toys, books, games, DVD's, CD's, videos, video game devices
- Pokemon and other trading cards

Of course, any dangerous or illegal items or substances brought to camp will result in the camper's immediate dismissal from The Wave.

## Drop Off Procedure

Drop Off takes place between **7:00 and 9:00am**. On the first day of camp, please allow additional time in your schedule to accompany your child inside to check in. As soon as you feel comfortable, you are free to drop off your child at the entrance labeled Fellowship Hall A. There will be a Wave Staff member stationed to greet them at the door. Staff members will help your child check in, store their lunch and cubby items, and walk to their first activity room. **If you arrive later than 9:00am, please walk your child in and check them in at The Wave Welcome Desk.**

## Pick Up Procedures

### ***Before 4:00pm (walk-in):***

We recommend that you refrain from picking up your child before 4:00pm if at all possible, as our camp runs much more smoothly when everyone is in place. If you do need to pick up early, please report to The Wave Welcome Desk with your child's Security Number. A staff member will escort your child to the Welcome Desk. Because our campus is large and spread out, please allow 10 to 15 extra minutes in your schedule for the pick-up process before 4:00 pm.

### ***Between 4:00pm-6:00pm (curbside):***

Between the hours of 4:00-6:00pm, you may take advantage of curbside pick up. Simply drive to the back of the line at the Fellowship Hall entrance, show the designated staff member your child's Car Tag (received at Open House), and wait for your child to come outside. We try to make this as simple and quick as possible! **If you do not have your child's Car Tag, you must check out at The Wave Welcome Desk with their security number. No child will be released to anyone who refuses to follow our Security Procedures.**

**If someone other than your child's parent/guardian is picking them up from The Wave, remember that this person MUST have your child's Car Tag or Security Number in order to do so.**

**\*\*\*Please note that WayFinders will not be able to be released from camp while they are at an offsite location or fieldtrip. Please make sure that plans are made to pickup your children before leaving or after returning from an offsite location.**

## Late Pick Up Fees

Supervision for your child is **only** provided from 7:00am-6:00pm each day. In the event that you pick up your camper after 6:00 pm you will be charged **\$1.00 per minute** after 6:00pm. You will also have to come in to the Welcome Desk and follow security procedures. Please contact us as soon as possible if there is an emergency or an extreme situation that will cause you to be late. These situations will be taken into consideration.

## Visitors

Any person who wishes to visit a camper or staff member at The Wave must abide by the following guidelines:

- Visitors are only welcome during Lunch or Snack. There will also be special events that parents will be invited to over the course of the summer that will require the same security procedures listed below.
- Visitors must check-in with their current photo ID and their child's Security Number at The Wave Welcome Desk.
- Visitors will leave their car keys at The Wave Welcome Desk for the duration of their stay.
- The Wave reserves the right to ask any visitor to leave at any time.

**The purpose of all of our policies and procedures is to ensure that the campers have a fun AND safe environment, so we will not compromise our policies when it comes to the safety, security, or the well-being of our campers and staff.**

## Discipline Philosophy

*Please review these policies with your child(ren) so that everyone can have a fun and enjoyable experience at The Wave.*

**The Wave asks campers to observe 3 basic rules:**

- 1. Respect others**
- 2. Respect yourself**
- 3. Respect property**

At The Wave, we believe that in most cases, if we strive to build a special relationship with each camper, they will obey the rules that we set out for them more often than not. In instances when a camper is showing "minor" disrespect (i.e. talking during an activity, straying from the group, not following instructions, etc.) the following actions will be taken

Action steps for minor disrespect:

1. Staff member will describe the misbehavior to the camper and remind them of their expectations.
2. If the behavior persists, the camper will be removed from the current activity and given a 5 to 10 minute time-out.
3. If the minor disrespect occurs a third time, the camper's parent/guardian will receive a phone call and/or a Discipline Form during Pick Up.

In the instances where a camper is repeatedly being defiant towards any staff member, or physically aggressive towards another person, we will take the following course of action:

Action steps for major disrespect:

1. Camper will be removed from their group until parents have been contacted.

2. Parents will be contacted to discuss the cause of the misbehavior and what steps can be taken to avoid future misbehavior.
3. The child will receive a consequence that was agreed upon by their parents and The Wave Director, and will start with a fresh slate the next day.

***If a camper is ever physically or verbally violent to other campers or staff, the camper may be asked to leave The Wave for a period of time decided on by The Wave Director.***

## Weekly Camper Awards

Because we believe in rewarding positive behavior, during Closing Assembly each Friday, the Group Leaders will select one camper from their Group to receive the SURFER award. The SURFER will be given to the camper who best exhibits the following qualities:

Selfless – always puts others first!

Understanding – thoughtful and considerate!

Respectful – follows all directions and treats everyone kindly!

Friendly – nice and welcoming to everyone!

Encouraging – compliments others and pushes them to succeed at everything!

Radiant – cheerful and radiates the love of Christ!

## Camp-Wide Activities

**Opening Assembly** – Every Monday we watch and perform skits, play games, introduce our Bible focus, pray together, and kick off the weekly theme!

**Splash Bash** - Every Tuesday campers will enjoy an awesome party related to our weekly theme. They will enjoy activities such as a carnival, inflatables, a scavenger hunt, rodeo and more.

**Good Mornin'**- We gather together Tuesday and Thursday mornings to review our weekly Bible theme, play games and do age appropriate activities to reinforce the truths we learn from the Bible.

**Tidal Tracks** – Two times per week grades K-5<sup>th</sup> will spend 1 hour receiving specialized coaching in either a sporting activity (soccer, basketball, baseball, physical fitness) or Fine Arts (music, art, theater and other creative activities) Activities will rotate throughout the summer and are geared toward the campers particular age group. At Open House the camper will choose if they want to follow the Physical Fitness Track or the Creative Track

**J.A.M. (Jesus And Me)** - Every Wednesday morning we have our very own Wave Worship Service! We worship with high energy music and a special guest speaker.

**Swim Day** – Every Thursday or Friday, depending on camper's grade, we swim at the YMCA from 9:00am-11:00am!

**Closing Assembly** – Every Friday we play games, give out Surfer Awards, watch a video with the week's highlights and talk about the fun we had that week!

*Campers must be registered for a particular week in order to take part in that week's activities. The only exception to this rule will be Parent's Night. All campers and parents are welcome to be a part of parent night whether they are registered for that week of camp or not.*

## Surfs 1 & 2 & 3 (K-5<sup>th</sup>) Standard Activities

Our goal is to keep campers active in a high-energy, structured environment that promotes growth, fun and excitement. Each activity is led by an instructor who plans creative games and projects, while Group Leaders participate with their campers. Each day, campers will rotate approximately every 45 minutes throughout the following activities:

**Indoor Rec** – Organized recreational activities in the Gym

**Outdoor Rec** – Organized recreational activities on the Front Fields

**1-2-3- Draw!** – Various creative art activities and projects

**Sound Waves** – Musical activities and songs

**Beantown** – Video games, karaoke, and dress-up

**Hang Time** – Team-building and get-to-know-you games

**Wavelicious** – Delicious cooking activity that corresponds with weekly theme

**LifeSavers** – Service project activity, putting our faith into ACTION!

**'R' and 'R'** – Rest & Relaxation

**Library** – Campers will be led in reading activities and have the opportunity to check books out of our extensive church library.

**Playground**-Campers will have free time to play on our outdoor playground.

**What in the World**-Campers will participate in fun, hands-on science activities/experiments related the world around them.

## Surfs 1 & 2 & 3 (K-5<sup>th</sup>) Sample Schedule

## WayFinders (6<sup>th</sup>-8<sup>th</sup>)

WayFinders is our sub-camp for 6<sup>th</sup>-8<sup>th</sup> graders. Because Middle School students are vastly different than our K-5th campers, our approach to the Wayfinders activities and schedule differs from the younger Surfs. Here are some ways in which Wayfinders is unique:

- **Emphasis on Service.** While the younger Surfs are learning about what it's like to have a relationship with Christ, WayFinders zero in on what it means to serve. In addition to learning about personal growth through Bible Study, we participate in on-campus and off-campus service projects throughout the summer, such as visiting the Gallatin Housing Authority, serving Sumner County schools, and assembling goody bags for those in need. Our students absolutely LOVE to serve!
- **Field Trips.** During most camp weeks our WayFinders will travel on Thursday Morning to a Middle Tennessee destination such as the Nashville Zoo or Climb Nashville.
- **Modesty.** Although modesty (in dress, actions and words) is important for all of our campers, it's especially important for our WayFinders, who are even more bombarded every day with sexual messages. That's why we make a point to ask parents and campers to pay special attention to campers' clothes, swim suits and any other item or attitude they may bring to camp. We take this very seriously, and will not hesitate to call a parent and discuss any issue we're concerned about.
- **Location.** For the majority of each day, WayFinders meets in The Underground, which is the basement-level space used by the FBCH Student Ministry. We LOVE this space – it includes classrooms, a 3-on-3 basketball court, a café area and a game room. We're very grateful to the Student Ministry for allowing us to take advantage of it!
- **Schedule.** WayFinders operates on its own daily schedule, as do the younger Surfs. The goal for Surf 4 is to be loosely structured each day, as opposed to the younger Surfs who are more strictly structured. Wayfinders enjoy a bit more freedom than their younger counterparts, but they have plenty of activities to fill their time. Also, all campers join together for camp-wide activities each day.
- **Activities:** WayFinders activities include but are not limited to:
  - Recreation
  - Hang Time – loosely structured times for conversation and sharing
  - Culinary Arts - cooking activity
  - Bible Study
  - Art - varied creative activities
  - J.A.M - worship time
  - Swim Day - each Friday, joined by younger Surfs
  - Field Trip- Most weeks our Wayfinders will visit an exciting Middle Tennessee Destination.
  - Service Projects - varies from week to week
  - Teambuilding
- **Staff.** The WayFinders staff consists of young men and women who sincerely have a heart for Middle School students. We prefer college students who have experience working with teenagers. Many of our staff members are individuals who desire to one day work in youth ministry or secondary education. The staff-to-camper ratio is approximately 1:7. Each staff member is trained specifically to handle the ways in which Wayfinders are unique.
- **Discipline.** For our Wayfinders, we approach discipline pretty much the same way we do with the younger campers. We trust that if we build a caring relationship with each camper, they will follow the guidelines we set out for them more often than not. It's rare that we have a discipline issue with campers. However, if we do have an issue (i.e.

poor attitude, bullying or physical aggression), we will not hesitate to call the camper's parent(s) and come up with a solution together.

- **FBCH Summer Camp** As much as possible, we try to partner with the FBCH Middle School Ministry to have fun and serve with other Middle School students. One way we do this is by attending the annual FBCH Middle School Summer Camp. Summer Camp is an intense week of bonding and Bible Study that is almost always a catalyst for spiritual growth in students' lives. The dates for 2018 are Monday, June 25 through Friday June 29. This is our week 5. All WayFinders students are highly encouraged to attend Summer Camp, we even make it possible for them to attend **at no additional cost to parents!** The cost for Summer Camp is \$270; however for our Wave campers, we take pleasure in sending them to Summer Camp for the same price that they would pay to come to The Wave for that week. *(This applies to campers who are registered for 3+ weeks of The Wave.)* You will receive plenty of additional Summer Camp information before summer begins. Because we feel so strongly about our campers attending Summer Camp, **there will be no WayFinders activities or staff for Surf 4 the week of June 25<sup>th</sup> -29<sup>th</sup> (The Wave Week 5).**
