

Wednesday Team K-3 Lesson

Today's Story: What is God's Most Important Creation?

Today's Passage: Adam and Eve (Genesis 1:27-29)

Bible Story: Adam and Eve

> God created the world! He made the sun, the sky, plants and trees, and many kinds of animals. But God was not finished yet! The next thing God created was the most special of all. On Day 6 of creation, God made people.

> God made a man out of the dust on the ground. He made the man come to life, and the man's name was Adam. God made people different than anything else He made. God made people in His own image.

> God also made a garden, and He put Adam in the garden. God gave Adam a job. He told Adam to work in the garden and take care of it. God decided Adam should not be alone, so He made a woman. Adam named the woman Eve, and she became Adam's helper.

Today's Bible Verse:

Genesis 1:27- So God Created mankind in His own image, in the image of god he created them; male and female He created them.

Apply Bible Learning:

> Open your Bible and say the Bible verse: "So God created man in his own image. Genesis 1:27." with other pictures.

> Remind children that God made people in His image. He made us to love and give glory to Him. Nothing changes how much God loves us, not even the wrong choices we make. God loves us so much He sent Jesus for us. Say the verse together with the children three times.

Story Continued:

> God made Adam and Eve to take care of the fish in the water, birds in the air, and animals that walk or crawl on land. He gave them the fruit trees and plants to eat.

> They lived together in the garden. He looked at them and saw that it was very good. Evening came, and the sixth day was done. On the seventh day, God rested. He created everything in six days!
