

Age-Defy 5 - Using a series of poses and simple exercises while standing or sitting in a chair to improve our 5 domains of fitness: Posture, Strength, Balance, Flexibility, and Endurance. There will be no running, jumping, or getting onto the floor. **ZOOM Option is available for participation.**

BOOT Camp - Great for beginner to expert. Every class is different and you will use free weights, powerlift bars, bands, medicine balls, bosus, steps, bikes, kick & punch, calisthenics, plyometrics, basic P.E. drills, etc. You name it, we've tried it!

Circuit Challenge - A fast-paced class in which you do one exercise for 30 secs. to 5 min. and then switch exercises. Classes will target strength building, muscular endurance, and aerobic activities. For all levels and challenging enough for guys and girls alike.

Core & MORE - Emphasizes core training through a variety of fun and challenging movements designed to increase strength and tone of your abs, back, hips, and glutes. Class includes mat, exercise ball, resistance bands, and weight work.

CYCLE - By varying your own pedal speed and resistance you will be led through a journey that will simulate everything from easy flat roads to climbing big hills. You will sprint for short periods and stand on the bike for climbing segments. For all levels.

FIT and Active - A class for senior adults combining general fitness, strengthening, flexibility and cardio to stay active. Emphasis on core strengthening and balance to increase stability. This class is slower paced and bridges between Age Defy and Low Impact Fitness.

FULL Body Burn - A total body workout combining boot camp, high intensity cardio and circuit training. This class is designed to burn each major muscle group while keeping your heart rate up. Each class is different and utilizes a variety of equipment: medicine balls, dumbbells, kettle-bells, and body weight training.

Gentle Stretch - Your instructor will guide you through a series of stretches, addressing any physical issues you might have. The class will include some beginner yoga and Pilates, which almost anyone can do. Your body will benefit from a full body stretch.

Lift Like a Girl - Say goodbye to little pink dumbbells and hello to kettlebells and barbells. This class will emphasize full body strength training using heavy weights. Cardio portions will also utilize heavy weights for conditioning. Leave your fear at the door.

Low Impact Fitness - This class is for the beginner level and/or a person desiring lower impact aerobics. It offers cardio plus resistance training using many different tools. You will move at a slower pace, while still being challenged.

Power & Strength - Pairing Basic strength training with HIIT intervals to get a full body workout every time. You can expect cardio, plyometrics, weight training, circuit training, endurance training and body weight training all compiled into one. For all Levels.
